## Secrets of the Power of 9 "The King", a Doorway into the Unseen.

*The ninth stage is to return to your Cave, as Allah mentioned in Surat al-Kahf, "When ye turn away from them and the things they worship other than Allah, betake yourself to the Cave: your Lord will shower His mercies on you..." [18:16].*

"The Cave is the Divine Presence. Here one utters the cherished prayer of the Prophet : 'O God, You are my destination and Your Pleasure is what I seek.' The heart, as it cycles between the cessation and restoration of its pumping, is existing at the level of the Essence of the Divine Presence. Because that Divine Essence is the source of all created being, that heart will be at one with every minutest creation in this universe. The heart which has reached the secrets of the nine points will be able to see everything, hear everything, know everything, taste everything, sense everything, 'Until He will be the ears with which he hears, the eyes with which he sees, the tongue with which he speaks, the hand with which he grasps, and the feet with which he walks. He will be Lordly, he only need say to a thing Be! and it will be."
