## Power of The Hands with Illustrations

By: Shaykh Hisham Al-Kabbani

Illustration by SALIM

### Holy Quran 67:1

{ 67th Attribute for Allah is Ahad, Ayat Rasuls 1st Name is Muhammad {s}

. Blessed be He in Whose **hands** is Dominion; and He over all things hath Power;-

Secret of The 1 One

### Make ablution.

It means ablution is the opening for every sickness to be cured. If you don't have ablution, your effect of curing that disease will be minimal.

**Holy Quran Hadid: 57:12.**

One Day shalt thou see the believing men and the believing women- how their Light runs forward before them and by their right **hands**: (their greeting will be): "Good News for you this Day! Gardens beneath which flow rivers! to dwell therein for aye!

**This is indeed the highest Achievement!"**

Washing  
hands... up  
to wrist

Turn the right over the left and the left over the right , You cannot begin with left over right.

So when you are washing the hands, it means the first movement you are doing is using the hands.

Then you clean between the fingers and intersect the fingers with the fingers, coming like this, the right thumb on the left and the left thumb on the right.

a) First you are using

10 fingers. 10.

b) 10 is the power of computer, energy, zero and 1.

c) It is 10, one and zero.

You wash the hands and in between the hands [fingers]

That energy that Allah taught programmers is coming from hands. So they are channeling it in computers now, and you are seeing all the miraculous power that the computer can do.

**Holy Quran: 48:10** . ... The Hand of Allah is over their **hands**: then any one who violates his oath, does so to the harm of his own soul, and any one who fulfils what he has covenanted with Allah,- Allah will soon grant him a great Reward.

d) So if the computer can do that, it represents 1 and 0, have that great power, they channeled into the computer to do magnificent work.

e) They channel that energy to heal. They use it without knowing why. They don't know the Islamic aspect. The Islamic aspect is that the one and zero, and that I why you see if you open your hands and draw a line

[connecting the fingertips] you form a circle.

f) So when you begin with the hands, rubbing them, when washing them and rubbing them to activate them, that is sign of 1 and zero, and you being to activate the process of what codes Allah has given us thru the hands, you being to activate them.

To activate that power

Allah is telling us that I am activating your powers from the 99 Beautiful Names and Attributes that I have stamped in your hands.

a) Rubbing you use to produce fire two sticks. Rubbing produces energy. So rubbing the hands produces energy.

The water prevents the energy from going out, it freezes it

why the Silah al-mumin al-wudu.  
[the weapon of the believer is ablution]  
As soon as you rub, that creates energy and by rubbing under water that keeps the energy in the body to be released later. When we rub our hands we are preparing energy to keep it and to save for use against the enemy.

For healing we don't use water.

- a) We rub with no water, we want to release it out.
- b) When using water we are collecting and saving, collecting and save. When we want to release it we open the hand to release it out.

**Holy Quran 80:15.** (Written) by the **hands** of scribes-

## If you look at your right hand Codes

1. **5 Fingers** : 4 Caliphs + 1 Rasul, 4 Ahl Bayt + 1 Rasul, when Love Rasul more than yourself His Hand is over Your Hand. Then Hand of Allah is over their **hands**{ 48: 10}
2. **3 lines each finger x 5= 15**, 15th is The full Moon at perfection, representing the Muhammad Reality.
3. **See The 1 and eight 8.** : This is more advanced numerology. The largest set of numbers are between 1,2,3,4,5,6,7,8-9 there is no larger single digit number than these numbers.

For example 12 is only using the 1 & 2 it is taking from any one of the 9 digits and making a number so the Largest is 9.

All creation is within a numeric code. Creation is in Circle described as : Huwa Awwal 1, Huwa Akhira, 9.

All creation is between 1-9. So, 1 thru 8 are supporters of the Kingdom and **9 is the King.**

**That is why Power of 9 is so important.**

For instance, take the number 21, reverse the digits and you have 12; subtract 12 from 21 and the remainder is 9.

Take 63, reverse the digits, and subtract 36 from 63; you have 27, a multiple of 9, and 2 + 7 = 9.

Once more, the number 13 is the reverse of 31; the difference between these numbers is 18, or twice 9.

There are exactly 9 planets in our solar system. Our planet is the 3rd from the sun which is the square of 9.

The average duration of a human pregnancy

**Holy Quran 19:94.** He does take an account of them (all), and hath **numbered** them (all) exactly.

**Holy Quran 10:5.** ... that ye might know the **number** of years and the count (of time). Nowise did Allah create this but in truth and righteousness. (Thus) doth He explain His Signs in detail, for those who understand.

**Holy Quran 66:8.** .

....Their Light will run forward before them and by their right **hands**, while they say, "Our Lord! Perfect our Light for us, and grant us Forgiveness: for Thou hast power over all things."

**Secret of The 8 are Supports of the One hence 8 & 1**

So how to activate that code

That explains The meaning of the nine points

lasts 9 months. or 36 weeks { 36 Yas-Seen}

2 multiplied by 9 equals 18 when added together equals 9. 3 times 9 is 27 which adds to 9. 4 times 9 is 36 which (you guessed it) adds up to 9. keep doing this. You will always get the same result. The sum of the multiple will always equal 9. "To Lord We belong, and to Him is our return":-

In the world of mathematics, the number 9 is INVINCIBLE no matter how many times you multiply it or add it to its own multiple. This is true of NO other number. The 360 degrees of the circle adds to 9

#### 4. On it is the number 18 Arabic

{ | ^ }

To Activate the Dhikr Look to the 18th Ism of Allah

18th= Al- Fattah The Opener then to 18th name of Rasul {s}

18th= Rasuls name is Rasul Rahmah= The Messenger of Mercy. So to Open Mercy we must know these names are dressing the Right Hand.

#### 5. One and eight together = 9

Allah s Ism= 9th Al- Jabbar, The Compeller  
Rasuls Names= 9th Aqib, The Final Prophet  
Perfection of all Creation , inhabitants of Hellfire will call upon him by this name for Shafa.  
9th Surah of Tauba - Forgiveness

Holy Quran  
57.29  
.....(His) Grace  
is (entirely) in  
His Hand,  
to bestow it on  
whomsoever He  
wills.  
For Allah is the  
Lord of Grace  
abounding.  
{waAllahu thoo  
alfadli  
alAAatheemi}

## Left hand Codes

1. Finger codes same
2. Line code same
3. Power of 9 same
4. See the 8 & 1 on left hand =is  
81. { ^ | }

81 Ism Allah = 81st Al- Muntaqim The Avenger  
81st Rasul = Dhul Fadl Source of Virtue

They use these 9 points in the Enneagram.

This is the teaching that they brought from Central Asia, from Naqshbandi people, which I explained one time. They use this linear, but in fact it is a circle. They have nine bullet points that consist of the whole system, the whole body. When you rub the fingers you are activating the 99 beautiful names of Allah.

99

99th Ism Allah Al- Sabur - Patient One  
Rasul 99th Name is Mustafa - Divinely

Holy Quran Tauba 9:14  
{ 9 Power 14=1+4=5}

## Elected

Two hands Together Asking Al-Sabur by the  
Greatness of Sayedena Muhammad al  
Mustafa you are unlocking endless  
blessings in the hands

. ... Allah will punish them by your  
**hands**, cover them with shame,  
help you (to victory) over them,  
heal the breasts of Believers,

## Holy Quran Ya-seen:

**36:83.**{ 36=9. 8+3=11} So glory to  
Him in Whose **hands** is the  
dominion of all things: and to Him  
will ye be all brought back.

- b) By activating them you are activating the 9 points that are on your body.
- c) And when you activate them, as if the receiver is now on, energy is going in, it begins to work to be able to receive, digitize it and release it out as a picture and as a sound, as we are seeing today.
- d) Similarly, the hands that are circles, that is why when we rub them and open them, they begin to act as circles over each other, taking all whatever energy coming they are managing .

## 9 is Complete Submission

99 names, in numerology 9 is equal to zero.

So when  
you are  
activating  
the 8 and 1

- a) 9 all of them end up in 9 if you add them.
- b) 9 in numerical terms equals zero, you don't add this number.
- c) This number doesn't exist anymore. It means submission, complete submission, when you activate that energy you are under that energy's submission, submitting to that heavenly energy that is coming.
- d) You are no longer seeing yourself acting but that energy is acting, you become zero. Like going in a plane or train or car. The car submits to the persons driving it. Similarly the train submits to the one driving it

## Power of 19

Holy Quran;74.30 Over it are Nineteen.

Power of 19

All Creation is Quran, All Quran in Fatiha in BismiAllah Al-Rahman Al-Rahem = 19 letters Arabic Huroof contain all creation.  
Allah showing the first Binary code 1, thru 9 for creation.  
Then Allah allowed creation to use Binary code of 1+9= 10 hence 1,0.  
All computing is an Binary codes.

When you rub and activate the nine, now you pass the water, if you check, those who know how to make wudu, not everyone knows to intersect the fingers. Then you are activating the 10. The 10 and the nine, comes to 19.

Recently they found that every ayat in the Holy Qur'an is on 19.

- a) And that 19, "**wa yahmilu arsh arrahmani yawmadhin thamaaniyya.**" and eight will, that Day, bear the Throne of thy Lord above them. [69: 17]

b) And those holding hellfire are 19. Hell is energy, so that is the power of energy.

19 is the number in the Holy Qur'an

You are activating the negative energy to heal the negative energy.

You need poison to heal poison – that is why they give antibiotics. That 19 is the number of angels responsible for hellfire. So you use that energy that comes from them, negative energy. By negative if you multiply you get positive. You heal sickness by fire that comes from hellfire. That energy when it comes out completely breaks down the poison that is in the system. That is how you activate the 19 together.

Holy Quran 111:1. { 111 Eternal Kingdom Allah Ism 3rd is Al-Malik, Rasul is best of Ayahs 1st Name is Muhammad.}

111:1 Perish the hands of the Father of Flame! Perish he!

Again recap The 1 and 8 and the 8 and the 1. When Allah's throne comes on judgment day. 8 angels are carrying it.

The Power of 8 & 1, which relates to The Arsh Throne of Heavens.

So what are they carrying – they are carrying the 1. The 8 is carrying the 1. Allah is showing us that in our hands. You are activating also the good energy. After releasing the good energy.

After you destroy the negative energy with negative energy you want to dress them with the 8 and the 1 with the good energy, the heavenly energy.

That paradise energy and dressing them with it. And that is why they feel now strong and they feel they are cured.

When you are activating the number nine, that is complete submission.

When you being activating by rubbing the hands

Now you are letting your body submit to the cosmos energy that is coming. And that energy represents fiery energy. When you activate with the 10 you are activating the energy. That negative energy is not bad, it is the power of the negative one, you defeat enemy by enemy. The energy from sun is fire energy but at same time it is healing, useful energy. You use negative to heal negative to destroy it completely.

You leave nothing of the Bad

then activate the 8 and the 1 for heavenly healing.
